CC Youth XC is a great opportunity for students to learn the basics of the sport and create a great healthy habit at an early age. With that, we bring years of Cross Country experience to teach your children proper techniques that they can use throughout their lives.

The league will consist of intramural races with other elementary schools in Campbell County School District, similar to the youth track format. Students will be able to compete on an individual level as well as a team.

- Intramural Cross Country- athletes will run in grade group races
- Students will run .5- 1.5 miles depending on their age group.
- Final night of racing will involve competition against other local elementary schools not in Campbell County's District.
